

**2020
El Dorado Stay & Play Shuttle**

Thank you for your interest in the El Dorado Stay & Play Shuttle Program. The El Dorado County Visitors Authority (EDVA) designed the program to encourage group transportation and overnight stays in El Dorado County, reduce motor vehicle emissions and introduce new visitors to the area.

The program provides funding for transportation from one or more El Dorado County lodging to regional wedding and event venues. The level of funding is based upon the number of rooms nights booked.

Qualified applicants will meet the following requirements:

- 20 room nights = \$500.00 contribution from EDVA to shuttle cost
- 30 room nights = \$750.00 contribution from EDVA to shuttle cost
- 40 room nights = \$1000.00 max contribution from EDVA to shuttle cost

***Lodging must be in El Dorado County **Program funds only group transportation of 20 more guests, no limos can be funded**

Please note that you will be held financially responsible the full amount of transportation costs if you:

- Cancel your reservation less than 14 days prior to your event
- Do not meet minimum of 20 rooms nights at any EDC Lodging
- Cause damage to the shuttle during the duration of the rental

How it works:

2. When confident you qualify for program, contact the transportation company listed below to make a reservation. You will be contracting with this company directly. The week prior to your event, the program coordinator will confirm room nights booked with lodging, prepare and deliver welcome kits to your lodging, and contact transportation company to make payment. We suggest you provide shuttle pick up and drop off details to your guests upon check in. We are happy to include that information in our welcome kit if requested one week prior to your event.

Frequently Asked Questions:

What's a welcome Kit? The El Dorado County Visitors Authority & their partners provide a bag with useful visitor information, discounts & incentives for this visit or future visits, transportation information, and a small gift for each room booked through this program. A lodging representative will present the welcome kit to the guest upon check-in.

Can I use more than one lodging to qualify for program? Yes, as long as all lodging is located in El Dorado County.

Can I use rooms in a private residence to qualify for program? No, sorry it must be a licensed commercial lodging property in good standing with applicable county, state & federal agencies.

Can I use another limousine service? Yes, you can but certain restrictions apply. Prior approval is required. Contact the Stay and Play Program Coordinator for further details.

The El Dorado Stay and Play Shuttle is funded by a grant from the El Dorado County Air Quality Management District. The El Dorado County Visitors Authority (EDVA) designed the program to encourage group transportation and overnight stays in El Dorado County, reduce motor vehicle emissions and introduce new visitors to the area.
